

President's Leadership Award 2010

THE AWARD

Established in 2001 to commemorate Choirs Ontario's 30th anniversary, this award recognizes individuals who, through their support or engagement in choral music-making, have made an exceptional contribution to the promotion and advancement of choral music in their communities.

The Award is presented annually and alternates between those who support choral music – executive directors, administrators, volunteers, corporate sponsors, philanthropists, and those who are directly involved in the performance of choral music – singers, conductors, and accompanists. Candidates must have demonstrated an exceptional leadership role, vision and cultural activism and must be nominated by a Choirs Ontario member choir or individual member. In 2009, the award was presented to Jessie Iseler in recognition of her exceptional work with the Elmer Iseler Singers and extraordinary support of Canadian Choral music.

In 2010, the award will be presented to a choral music performer who through their work as a singer, conductor, or accompanist has made a significant contribution to the choral art in his or her community.

THE PROCESS

Candidates must be nominated by a Choirs Ontario member choir or individual member. Each nomination must consist of a completed application form supported by three letters of recommendation and a written submission of not more than three pages outlining the candidate's contribution to the choral art. Complete the attached application form and send it along with supporting documentation to: President's Leadership Award, Choirs Ontario, A-1422 Bayview Avenue, Toronto, Ontario, M4G 3A7. The Award is juried by a three person panel of Choirs Ontario past presidents who are appointed by the Choirs Ontario Board of Directors.
